Where available, access to the live webcasts of these events, as well as archived recordings, will be posted under the "Events & Presentations" page on the Investor section of the company's website at <https://ir.maplightrx.com/news-events/events-presentations>.

About MapLight Therapeutics

MapLight Therapeutics is a clinical-stage biopharmaceutical company focused on improving the lives of patients suffering from debilitating central nervous system disorders. The Company was founded by globally recognized leaders in psychiatry and neuroscience research to address the lack of circuit-specific pharmacotherapies available for patients. The Company's discovery platform holds the potential to fill this void by identifying neural circuits causally linked to disease and targeting those circuits for therapeutic modulation.
